WELCOME

EUROCORR, the annual event of the European Federation of Corrosion, is the premier Corrosion Congress in Europe, attracting an increasing international audience.

In 2024, EUROCORR will take place in **Paris, France**, from **September 1st to 5th, 2024**. The venue is the Palais des Congrès de Paris, ideally located within walking distance from the Avenue des Champs-Élysées, and easily accessible by public transport.

Paris is the world's leading tourist destination and, in 2024, will be host of the Olympic and Paralympic Games. There is always something new to discover in this spectacular city packed with an array of famous attractions, museums, restaurants, and fascinating historic and modern neighbourhoods to explore!

After the success of EUROCORR in Nice in 2004 and 2009, and in Montpellier in 2016, CEFRACOR, member Society of the EFC, in cooperation with Chimie ParisTech, has been selected by the EFC to organize this major event. EUROCORR 2024 will cover all aspects of corrosion science, technology, and engineering, with emphasis on a main theme:

A step forward in societal awareness of material degradation issues.

This will be achieved by bringing together corrosion experts from universities, research centers and industries. EUROCORR 2024 will be a forum for presentation and discussion of advances in understanding corrosion phenomena and progress in corrosion prevention.

The program will include plenary lectures, keynote lectures, oral and poster presentations in all the areas covered by the EFC working parties, with additional topical workshops. A preview of the topics is given below.

A large exhibition is planned, which will feature the latest developments in corrosion resistant materials, corrosion research, corrosion monitoring, coatings, inhibitors, cathodic protection.

Social events, including receptions and a conference dinner, will contribute to the exciting and festive atmosphere that you will find in Paris.

We are looking forward to welcoming you in Paris for EUROCORR 2024!

Philippe Marcus
Chair of EUROCORR 2024

In the event that you change the Sponsor logo at any time during the Term, you agree that we shall not be obliged to make any consequential changes to materials that include the Sponsor logo produced by us or on our behalf for or in connection with the Event (including, but not limited to, reprinting promotional literature or publicity materials) unless you agree in writing in advance to meet the costs and expenses incurred by us arising from such change.

If for any reason, we are unable to deliver any of the Sponsorship benefits, we will inform you as soon as reasonably practicable. We may substitute alternative benefits in respect of the same Event to an equivalent value of the relevant Sponsor benefits without any liability to you.
